MEMORANDUM FOR: Chief, Administration Staff, OC

SUBJECT: PCS Assignment of Communications Personnel  
[REDACTED]

25X1A

1. As indicated in our telephone conversation, I am still holding your memorandum, subject as above, dated 17 April 1963 for a determination of the assistance, if any, we may be able to grant employees assigned to [REDACTED]. I believe the Deputy Director (Support) is going to raise this question for discussion at an Executive Committee Meeting in the near future. In the meantime some help might be granted employees by delaying their PCS assignment until they have had reasonable opportunity to dispose of property and to seek quarters at their new location.

2. I will let you know of developments in this area.
